

# Custom Card Design Information and Pricing

MCK Designs provides custom digital card design for virtually any occasion: Newborn Announcements, Birthday/Party Invitations, Moving Announcements and Christmas/Holiday Cards.

*The process to get started is below:*

- **Ideas:** Provide thoughts on what you would like (colors, theme, wording, etc.) Feel free to browse samples on sites such as [minted.com](http://minted.com) or [tinyprints.com](http://tinyprints.com) and email links or screenshots of inspiration cards to me at [krissy@mckdesigns.biz](mailto:krissy@mckdesigns.biz). A few samples of my previous Christmas card designs can be found at: <http://mckdesigns.biz/2013/09/18/favorite-things-part-2-christmas/>
- **Pictures:** Provide high resolution images by email (or Relic Photography Smugmug picture numbers) for the pictures you would like to use.
- **Design:** With all this information, I will design a fully custom two-sided flat card or folded card using your inspiration samples as a guide.
- **Proofing:** Design files will be emailed to you for your review within 3 days. You may make any changes you would like and a final proof will be emailed for your approval.
